

## **Modern Slavery Act Statement FY 2023/24.**

Modern Slavery Act Statement FY 2022/2023 Full Supply Ltd acknowledges its responsibility to the Modern Slavery Act 2015 and is committed to ensuring transparency within the organisation and with suppliers of goods and services to Full Supply Ltd.

Within the supply of our products and services, there are relationships with external businesses around the world for the sourcing of product. These, as well as our own manufacturing sources, make up the supply chains for the company.

As part of our company's due diligence and supplier approval process, we will incorporate a review of the controls undertaken by the suppliers of imported or direct shipment product to ensure that our values, regarding a zero tolerance to slavery and human trafficking, are understood.

Sources from outside of the UK and EU potentially present more risk of infringing our slavery and human trafficking policy. Therefore the level of management control required for these sources will be continually monitored.

Full Supply Ltd will not support or deal with any business knowingly involved in slavery or human trafficking. The Company Directors and Senior Management shall take the responsibility for implementing this policy statement and its objectives and shall provide adequate resources (training etc.) and investment to ensure that slavery and human trafficking is not taking place within the organisation or within its supply chains. This statement is made pursuant to Section 54(1) of the Modern Slavery Act 2015 and constitutes the company's slavery and human trafficking statement for the current financial year, the policy statement will be reviewed annually and published accordingly.
